CITY ORDINANCE NO.1941-23
Series of 2023

AN ORDINANCE DELINEATING THE TERRITORIAL BOUNDARIES OF THE TWENTY (20) BARANGAYS OF LAS PINAS CITY TO CONFORM WITH THE APPROVED CADASTRAL SURVEY OF THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES (DENR) COMPLETED IN MARCH 2015.

WHEREAS, there are twenty (20) existing and functioning barangays in the City of Las Piñas, which barangays are all duly recognized by the different departments, offices, and agencies of the National Government, such as the Department of Interior and Local Government (DILG), Department of Environment and Natural Resources (DENR), Department of Budget and Management (DBM), Philippine Statistics Authority (PSA), etc.;

WHEREAS, since the creation of the barangays of Las Piñas in 1978, by virtue of several Presidential Decrees, the territorial metes and bounds of the said barangays have not been properly identified such that there are barangays whose land areas are not contiguous and/or overlapping with another barangay. Moreover, confusion in the territorial boundaries of the barangays is being encountered which could cause disputes, or be subject of disputes, especially since the cadastral mapping in 1980 for the barangays conflicted with the boundaries as set forth in the Presidential Decrees;

WHEREAS, in the year 2012, in accordance with the mandate of the Cadastral Act, a new and thorough cadastral survey for the City of Las Piñas was conducted with the end view that the territorial metes and bounds of the twenty (20) barangays of the City of Las Piñas would be technically and scientifically identified;

WHEREAS, in line with the conduct of the aforesaid cadastral survey, the City Planning and Development Office of the City of Las Piñas, gathered and reviewed sufficient data, for which said office prepared the respective barangay maps of the twenty (20) barangays of the City of Las Piñas, which would be made reference in the conduct of the cadastral survey and delineation of the territorial boundaries of the barangays;

WHEREAS, in the preparation of the barangay maps, public hearings were also conducted to provide sufficient information and knowledge to the public pertaining to the boundaries of each of the barangays that would be plotted on their respective maps, as well as for the barangays to agree on the delineation of the boundaries which would be more equitable and beneficial to all barangays, thus providing their respective constituents better and efficient delivery of basic services and maintenance of peace and order;

WHEREAS, the barangay maps of the respective barangays were then submitted to the respective barangay councils of each barangay for which each of the twenty (20)

barangays passed their respective barangay ordinances adopting and approving the barangay map as prepared by the City Planning and Development Office (CPDO) for their respective barangay;

WHEREAS, the cadastral survey of the City of Las Piñas, delineating the boundaries of the twenty (20) barangays and providing the respective territorial metes and bounds of each barangay was approved by the DENR on March 23, 2015. To conform with the result of the said cadastral survey, the territorial boundaries of each of the twenty (20) barangays had to be altered or modified;

WHEREAS, the Sangguniang Panlungsod carefully reviewed the territorial boundaries of each of the twenty (20) barangays based on the approved cadastral survey and found the same consistent with the provisions of the Local Government Code of 1991, enacted on December 5, 2016, and appropriate City Ordinance for each of the barangay, that delineated and fixed the territorial boundaries of each barangay with corresponding technical descriptions or metes and bounds as identified and plotted by the approved cadastral survey of the DENR;

WHEREAS, the City Ordinances enacted on December 5, 2016 relative to the territorial boundaries of the twenty (20) barangays, through inadvertence or oversight, have not been subjected to a plebiscite as required by the Local Government Code of 1991, up to this date;

WHEREAS, there is a need to pass a new City Ordinance consolidating the previous City Ordinances relative to the delineation and fixing of the respective territorial boundaries of the twenty (20) barangays of the City of Las Piñas, and for a general plebiscite to be conducted in the entire of City of Las Piñas in order that the territorial boundaries of each of the barangays based on the cadastral survey be formalized;
